Catering options at the State Library

The State Library uses a range of external caterers to suit all budgets to provide good quality food and beverage for functions held in its venues. Catering packages range from morning or afternoon tea either on its own or with a luncheon option, corporate lunches, buffets, cocktail food, a formal sit down dinner or wedding reception.

By using one of the Library's preferred caterers, ordering for your next function can be as simple as completing an order form online. Alternatively you may wish to tailor the catering to suit your specific requirements and all of our preferred caterers are more than happy to offer this service.
