Catering options at the State Library

The State Library recommends Aroma Café for your training and business catering needs. If its event catering you require then we suggest Epicure Catering. Both caterers provide great quality food and beverage for functions held in its venues. Catering packages range from morning or afternoon tea either on its own or with a luncheon option, corporate lunches, buffets, cocktail food, a formal sit down dinner or wedding reception.

By using the Library's preferred caterers, ordering for your next function can be as simple as completing an order form online. Alternatively you may wish to tailor the catering to suit your specific requirements and our preferred caterers are more than happy to offer this service.

Business/boardroom catering
