Philip Walter Groves was a 22 year old piano tuner from Henley Beach when he enlisted in the 10th Battalion of the AIF on 29 August 1916.

He was wounded in action in Boulogne, France, in May 1917 and died soon after from his wounds. Groves' comrades made this piece of 'trench art' to commemorate him.

'In loving memory of Pte P. W. Groves, 10th Bttn, A.I.F. Died of Wounds 18.5.17' is etched on a rolled out brass shell casing.

His uniform insignia and two olive branch lapel pins are attached.
